

MATH ENRICHMENT

Carney's Tutoring offers a summer enrichment program for students struggling and students wanting to get a jump start on next years materials in elementary and middle school math. Participants will be immersed in lessons designed to build confidence, enhance academic aptitude, and refine skills needed to be successful. Choose the schedule that works for you and your family. You have the option to attend once a week or two times a week. Tutoring is pay as you go so you are only charged when your child attends class. The summer enrichment program includes:

- Math enrichment
- Hands on learning
- Interactive math lessons
- Individualized instruction
